## Indoor Air Comfort Gold

KRAFT Gold Family Indoor Air Quality Wall Paints and Primers

*Certified Product*

Druckfarben Hellas S.A.

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 8.0 (2022). These include both inspection of factory production, VOC emissions testing according to EN 16516 and VOC content testing, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC emissions and content. Additional requirements not related to VOC testing, for example content of other substances or odour are not combined or evaluated. The following VOC emission and content requirements are combined and the certified product shows compliance with these VOC related limit values:
