

Certificate

Indoor Air Comfort

KRAFT Indoor Air Quality Wall Paints

Certified Product

Druckfarben Hellas S.A.

Applicant

The product complies with Indoor Air Comfort requirements, version 6.0 (2017). These include both inspections of factory production according to DIN 18200 and VOC testing according to EN 16516 and the ISO 16000 series, each in the latest versions, by an ISO 17025 accredited laboratory, at regular interval.

Indoor Air Comfort certification ensures that product emission requirements are fulfilled and it is a sign of the applicant's focus on quality and contribution to a healthy indoor environment.

Compliance with Indoor Air Comfort means compliance with VOC requirements on low emitting products of:

- France (VOC Label)
- Germany (AgBB/ABG)
- Belgium (royal decree)

Details are defined in Indoor Air Comfort requirements, version 6.0

Certificate No.: IAC-348-01-01-2018

Date: 08 February 2018

Validity of certificate: 08 February 2023, with frequent surveillance and retesting.
